If I ran the world I'd install David Lorimer as chief of state. He is perhaps more deeply steeped in wisdom and knowledge about our evolutionary process on the way to becoming an awakened humanity than anyone else on earth and he is one of my most treasured allies. There are several other weekends and you'll see that you can sign up for all for them at once with a 20% discount his organization gets that he has extended to my list (fyi I don't make anything). You can get an idea of how high I am on this course from the fact that it's a 7:30 a.m. start in my pacific time zone and I'm not an especially early riser. You can get more of my opinion about David and the value you'd get from his course if you [listen to the podcast I did with him](#) and see the page of info that goes with that.
