**NOW:** <https://www.youtube.com/watch?v=B4-L2nfGcuE>

This is the first time you've heard from me since the beginning of the year when my right hand went to graduate school. Since she was the design half of our enterprise, you can see here what a loss that has been.

That doesn't mean, however, that there's nothing to talk about. My plate brimth over. But more later on that. I'm emailing today because it's now or never for something so sweet that it helps counter what else is in the air.

The birthing process has started for the two eggs in the nest of America's favorite eagle couple at Big Bear, California, and, as I type this, 7,258 very excited people are watching it live. It's a process and can take a few days so hopefully you don't have too much else to do!

Enjoy!!!!

PS: I'd like to find a social networking whiz anywhere and someone clever in L.A. to work with me on a TikTok project. Help!
